About EASF

Thanks to the financial support of the **Darden Restaurants Foundation**, the Educational Alliance works with Florida's colleges and universities to help their students carry the sustainability banner into their chosen careers.

Coming Soon!

Dear Tim,

You are part of great community of more than 200 faculty across Florida in public and private universities and colleges interested in helping to create a Sustainable Florida. The Council is interested in reporting what you are doing in your classroom and on campus to promote sustainable development principles. Thanks for responding....

Warmly,

Tim Center, CSF Director

Register Now for UF Campus Conference
Sharing Best Practices and Visions for Florida's Future - will provide a venue for the exchange of best practices and visions among Florida's universities, colleges, and communities.

Featuring keynote speaker **Carl Hiaasen** - award winning novelist and journalist - this inaugural conference is a great time for campus leaders to emphasize the role of higher education in creating a more sustainable future.

About us

*The Council is working with its partners to develop an **Executive in the Classroom** program. Corporate sustainability leaders will come to your school to discuss their experiences in implementing sustainable development principles in their businesses. Invaluable time with Florida leaders will present an opportunity to develop case studies for use in classrooms across the state and beyond. Please let us know if you would be interested in hosting a speaker.*

of this exciting event.

And what about 2007?
Would your campus like to host the next Campus and Community Conference? The Council for Sustainable Florida is looking for the 2007 host college or university. Interested? Let us know as soon as possible.

The **Council for Sustainable Florida** is a program of the **Collins Center for Public Policy**. The Council's mission is to advance the vision of sustainability by identifying, supporting and communicating best management practices.

Sustainability Case Writing Competition

The **oikos Sustainability Case Writing Competition** aims to promote the development of new, high quality, case studies in the field of sustainability management and sustainability strategies. Cases may tackle topics and situations of real world organizations and should be suitable for use in management education and development. The first prize will be 5000 Swiss Francs and winning cases will be presented at the European Academy of Management Conference.

oikos Sustainability Case Writing Competition

Deadline: December 3, 2006

Win 5,000 Swiss Francs

Oikos Foundation

You can read last year's winning entries at the website.

What's Going On?

We want to report on what's happening on your campus, in the classroom or in your neck of the woods. What classes are you teaching that incorporate sustainable development principles? Is there a conference coming up you want others to know about? Simply send us a message.
